

The Castro Lions

On the Prowl with the Castro Lions:

President Carl Tebell

First VP Troy Brunet

Second VP Bob Barnwell

For the last six months the Charities Committee for the Castro Lions Club has sent out, received, and analyzed over 30 grant request applications from non-profit groups. Many have been previous recipients and many have spoken before our club in last year. This is all coming to a head when on Monday, February 22, at Richard Mendoza's house the Charities Committee will decide which groups will receive money. All club members are welcomed to attend. We will look over the grant request applications and vote on who should receive money. In early April we will vote on how much money the group should receive. We will prepare the list for the club members approval at the April 7 meeting. Join us on February 22 for your valuable input.
