The President's Column

October is World Blindness Month!

Imagine a world where you couldn't see; had never been able to see; a world where the idea of sight is even a difficult concept to grasp. Earlier this week a brief news story showed a man stepping from that world into ours, the sighted one. He saw his wife and child for the first time, he saw his own face in the mirror for the first time, he saw what you and I can take for granted every day.

Imagine you had the power to make this transformation possible for every sightless person in the world! Imagine you had the power to prevent this gift of sight from being taken from everyone in the world threatened with its loss.

Imagination is one the great powers; in our blindness, our suffering, imagination is hope. Sometimes our imagination is limited by our sights and insights. The blind man given sight admitted he'd never imagined, as hard as he had tried over the years, what the experience would ultimately be like. Yet he never gave up hope. Perhaps, he saw more than he knew?

We as Lions, never give up hope. It is our humbly accepted challenge to carry the torch of hope as we fulfill the hopes and imaginings of those suffering where we can. Where our insights limit us we need imagination ourselves. As a club we find that imagination with our friends and fellow Lions.

The Castro Lions Club is fortunate to be gifted with a group of people filled with hope and imagination. I see it every time we gather. Were I blind, I think I would hear it in each and every of your voices. Were I deaf, I would see it in each and every one of your faces. Were I stricken with disease, I know, I would feel it from each and every one of you.

Hope and imagination may be our greatest power and we carry it in abundance.

Use it! Work it! Inspire one another with it!

Imagine a world without needing "World Blindness Month"! Imagine a world...

Lion Tommy
President, CASTRO LIONS CLUB

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down others; To be loyal to my clients or customers and true to myself.

WHENEVER the doubt arises as to the right or ethics of my position of action towards my fellow man, to resolve such doubts against myself.

TO HOLD friendship as an end and not a means; to hold that true friendship exists not on the account of service performed by one to another but true friendship demands nothing but accepts service in the true spirit in which it was given.

ALWAYS bear in mind my obligations as a citizen to my unswerving loyalty in word, act and deed; to give them freely of my time, labor and means.

TO AID my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy; To be careful with my criticism and liberal with my praise; To build up and not destroy.

The General Membership meeting held at the Sausage Factory on September 19th was fun and lively. We had three visitors from Foster City Lions and though they went home with the majority of the raffle prizes – we – as always thoroughly enjoyed their visit. FC you ROCK!

ED. Note: Foster City and its membership have been the longest running AIDS Walk fund raising supporter of Castro Lions Club members in 4C4 averaging \$750 annually between club gift and individual donations! That's what I call a 'friendship club!'

The introductions were done and the officer's reports were made. (See Calendar) Including a reminder of the most pressing events, meetings on the horizon: Macy's Passport In-Store Sale 9/22, 1st Charities Committee meeting 10/6, Castro Street Fair 10/7, Garage Sale 10/20.

Notification was made that as of the 11/7 meeting we will be returning to Octavia Lounge for General Membership meetings.

It was announced that some 5 members have still not paid their dues for the year – Lion Treasurer David will be personally following up with those folks in the coming weeks. It was also announced that the club is re-joining Lions in Sight, an oversight in the last 18 months caused our membership to lapse. Lion Sams is addressing. The Board agreed to make a contribution to the New Century Club's Dragon Boat Races in support of Campaign Sight First II.

Lion Sams also announced that a LIS Warehouse workday was being set for early January – and he would be trying to have it blessed as a District wide event at the 2nd Cabinet Meeting to be held

11/10 in Brisbane. (Ed. Note: DG Maxine blessed the plan at the Foster City Club meeting Lions Gin, Tebell, Strickland & Sams attended as a visitation and has placed Sams on the agenda for the Cabinet meeting to make the challenge. Pencil in Jan 5 and/or 12 – final date to be announced soon.)

CALLING ALL PHOTO'S: Lion Sams is working on the President's scrapbook and while jpg files emailed to him are acceptable – he'd really love to have actual printed photos. Please even if you provide links to 'photo web sites' understand he is not always able to get at them/download them. Newspaper articles, any clipping with photos, by-lines, charity newsletters etc which mention the club are also be sought – these count 'BIG TIME' in the District Public Relations contest.

Speaking of 4C4 District Contests, we have caught up on the March thru August reports and are eligible for every contest this year.

VISITATION TO FOSTER CITY:

Lions Gin, Tebell, Strickland and Sams "returned the favor" and visited Foster City Lions on 9/25 which coincided with the Governor's visitation. It was a delightful night – and while we came away with a fraction of raffle prizes compared to what they did on their visit to us – we were 'royally' welcomed and treated with such warmth and friendship we can only say THANKS AGAIN FC! That HOG was delicious! Thank you Chef Kiesel! (By the way there were 51 in attendance!)

DUES ARE DUE ! \$125/annual and the Admin fund needs it FAST.

Credit the Club for your Cole Hardware purchases!

We are also a standing beneficiary of your purchases at the Cole Hardware Stores (Cole Street & the other SF locations of Fox Ace Hardware). Our club receives 'purchase' credits for your mentioning us when you make your purchases. The Club's account number at Cole is # *2584. (I'm told the "*" is essential.)

Lion Sams at the request of District Governor Maxine has arranged two work days in January 2008 for doing sorting, cleaning, sizing of eye glasses at the Vallejo Lions in Sight Warehouse. The two days are both Saturdays, January 5 and January 12. Lions Strickland and Sams will be at both work days and are serving as club ambassadors to the rest of the District.

As a joint club event sponsored by the Castro Lions we'll be receiving special recognition and contest points. We'll also be trying to gather and deliver as many glasses as possible during those two days. Details to follow as we approach the work days.

CASTRO Street Fair Results: - Lion David Gin

The Castro Street Fair was on Sunday, October 7, 2007, it was the best street fair since I joined The Castro Lions about 5 years ago. Lion Dennis Hale celebrated his 63rd birthday at the fair & he worked his butt off. Our day started about 7am., when we loaded up the usual equipment & supplies for fair day. The skies were already clear as forecasted & setting up in the mild morning weather went extremely well. When we arrived at 18th & Castro Streets, the booth was still being put together & the kegs of beer & other beverages had not been delivered. Coffee was first thing on the agenda after offloading the truck. All the goods required for the fair began to arrive, cups, beverages, signage, ice & we were set to go about 10am. The weather was warming up & we kept getting request for beer prior to the 11am start time.

Lion Frank Bence, was our first worker to arrive, he came by prior to his scheduled start time & returned to open the booth at 10:45 am. We poured our first beer at 11am & it was a little slow for the first hour & half but the weather was warming up & it was beautiful. Lion Brian Carbo & the fantastic Lettie Marquez also opened the booth. By 1pm we were getting busy, thankfully Lions Everett & potential new member Bill Wicht & Jenny Spike Lee now made up the A-team. Throughout the day Lion members President, Tommy Rudder, Lions Carl Tebell, David Strickland, Luis Collazo & Mark Hankins, Rich Mendoza, Lions Denni Harp & Betsy Kraft, Logan De La Noche & non-lion Jerry joined in to make the day go by smoothly. With the great weather, before the end of the day we ran out of beer, going through our 30 kegs of Golden Brands' Miller Lite, Miller's MGD, Foster's & Urquell Pilsners beers. The final total for the day was \$14,935. in beverage sale & \$1,100.56 in tips. Thanks to all that helped & sorry anyone who did not get mentioned due to memory & not signing in.

Board Decisions 10/10/2007:

The End of the ROAR!

The CASTRO Lion Roar - Castro Lions Club 584 Castro PMB 200 SF, Ca 94114
Membership Information Hotline: 415-90-LIONS

The ORIGINS of LIONISM:

Lionism began in 1917 when a group of independent businessmen responded to an idea presented to them by a young Chicago insurance agent, Melvin Jones. The idea is one of service as a group to our fellow human beings without regard to politics, religion, sex, race or any way the personal interests of the members. A conference of 25 independent clubs was called on June 7, 1917, and from this the organization of Lions was born. The International Association of Lions Clubs has grown to be the largest service club organization in the world, represented by over 46,000 clubs with a membership exceeding 1,334,000 in over 193 countries.

THOSE COLORS:

To Lions, purple stands for loyalty to country, friends, ones' self and the integrity of mind and heart. It is the traditional color of strength, courage and tireless dedication to a cause. Gold symbolizes sincerity of purpose, liberality in judgment, purity in life and generosity, in mind, heart and money toward our fellow men and women.

Who We Are:

We are volunteer members of a club that is chartered under an international organization, where we enjoy fellowship and dedicate part of our free time to helping those in need all over the world, while making our individual community, a better place to live. Our membership is open to any person willing to step up to the SERVICE motto of the organization.

Think of joining us:

While Castro Lions is one of the youngest Lions Club in San Francisco, we are a busy club! Formed in 1985, we have become the world's first officially sanctioned gay/lesbian Lions Club (and have since played a role in chartering other gay clubs in Denver and Toronto). Lions International has always encouraged clubs to reflect their unique neighborhoods. Membership is open to Gay and Non-Gay individuals.

YES – you CAN Afford It!

A member's basic financial commitment is a \$75 entrance fee and \$125 annual dues (payable semi-annually). The degree of involvement by each member and the degree of financial contribution are personal decisions. Club Meetings are held twice monthly (with dinner optional). There is usually a guest speaker about topics of interest to our community as well as a few reports of business and planning projects. Lions Clubs elect their officers annually and work through club committees. Our club is proud that it reflects all socio-economic levels within the gay, lesbian and non-gay community. Pins, vests and other items you may desire to acquire as part of club membership are available at anytime, and are reasonably priced, not required and payment schedules can be arranged.
